

10 YEAR WARRANTY

ISX Fabrics

For internal use as stretch fabric sails with an operational temperature range of -20°C to +60°C

1) Guarantees :

This warranty includes

- Defects in manufacture of the sail.
- Degradation of the sail including edging, fabric, fibres or threads caused by UV exposure. This includes significant loss of strength, colourfastness to sunlight and washing when used as directed (covers any significant discolouration visible when the sails are in place) and significant loss of elastic recovery.
- Mechanical failure of any fixture or fitting supplied with the sail

2) Exclusions :

- Use of the product for applications other than those for which it is intended.
- Damage caused by failure to follow the care instructions when handling and washing the sails.
- Damage caused by stretching the product beyond its design limits.
- Damage caused by environmental contamination.

3) Conditions :

- Cover limited to full replacement of all sails once during the term of the warranty - sails will be replaced in original colour.
- Defects to be notified as soon as possible but in any case within 30 days of appearance.
- Warranty starts: from delivery of the product to the customer or 30 days after delivery to our approved reseller.
- Warranty application : According to the guarantees stated in paragraph 1 we reserve the right to repair or replace the product at our discretion.
